JOB

Data Entry

Skooleeo, Lagos

Jan 2021 - Mar 2021

I worked as an intern inputting data to the code base so it could be used a reference for taking exams or testing your competence before taking real life exams.

INTERNSHIPS

UI/UX Design

Africahacks, Virtual

Dec 2020 - Dec 2020

I worked as a Ui/Ux designer with my team in creating Mymedhub, a platform for medical practitioners.

Web Development

WeJapa, Virtual

Jun 2020 - Nov 2020

I worked as a backend developer with PHP and built a crud app(blog) and every other challenge, we were given.

Web Development

HNG, Virtual

May 2020 - Aug 2020

It's an internship, comprising of UI/UX designers, front-end developers, Back-end developers and mobile developers. I worked as a front-end developer and helped in building many projects. Check my GitHub for more.

Web Development

Internhub, Owerri

Nov 2019 - Nov 2019

PROJECTS

Tailors Crib

May 2021 - Jun 2021

<https://tailors-crib.vercel.app/>

A landing page for a product yet to be launched, it was built using jQuery, JavaScript, PHP and swal.

Php Calculator

Apr 2021 - Apr 2021

<https://php-calculatorr.herokuapp.com/>

This app was built based on php and jQuery, where a user queries a custom api I created and get results displayed in an input field.

React Mp3 Player

Mar 2021 - Mar 2021

<https://mp3-player-tan.vercel.app/>

A simple, mp3 player built by using react and no APIs.

Arduino based security system

Mar 2020 - Feb 2021

Research work about how to implement a security system using Arduino and how it can be useful to the average people in sub Saharan Africa.

todo-list-app

Dec 2020 - Dec 2020

<https://infallible-fermi-62eb42.netlify.app/>

I made a to-do list app with javascript, where you can add and delete activities. Also, you can tick on them when done however it also has various modes daylight and dark mode.

Portfolio site

Nov 2019 - Nov 2019

<https://eager-bartik-5094cd.netlify.app/>

It is a very simple site about some of my skills and achievements, also why I should be employed.

ADDITIONAL DETAILS

I'm interested in a lot of things, which you can see from my diverse experience on my resume, and looking to get my foot in the door with a fun company that challenges me.

I'm open to internships, full-time roles, part-time roles.
